Useful information for stress-free lunch queues:

- Please queue at your allocated time to ensure that the lunch service runs smoothly
- Only girls holding lunch passes should queue at 12.05pm (issued by the member of staff who runs the activity)
- If you have been asked to attend a meeting which requires you to eat an early lunch, get a lunch pass from the relevant teacher
- No pass, no early lunch

Respect other users of the Refectory:

- Take a tray when you enter the Refectory: no tray, no lunch
- When you have finished eating, clear away and leave promptly to enable others to use your table
- Please clear all trays, cutlery, crockery and cups when you leave
- If you have spilled water or dropped food while eating lunch, please clear it up yourself where possible. If necessary, alert a member of the catering staff to the problem.
- Please note – you should only be going in through the door by the cutlery.
- Sixth form do not have the right to jump the queue. You wait like everyone else.
