

ST HELEN AND ST KATHARINE

Lent 2016

POLICY ON ASSEMBLIES AND SCHOOL SERVICES

All pupils and teaching staff are expected to attend assembly and full school services. Most of the worship is not only 'broadly Christian' but 'predominantly Christian' and all sacramental services follow the liturgies of the Church of England. There is a strong awareness that this means that some girls and staff are being asked to attend an act of worship which does not follow their own philosophy or religion and this is taken into consideration whenever possible. Girls are always encouraged to think about spiritual, moral, social and cultural * issues in such a way as is appropriate to them and some staff lead assemblies based on their own moral stance.

In addition to this St Helen's takes seriously both the wishes and the religious traditions of its founders, the Community of St Mary the Virgin, Wantage.
